POHLAD A

Technical drawing showing the front elevation (POHLAD A) of the outdoor furniture unit. The unit is a rectangular structure with a flat roof and a door. The door features horizontal slats and a handle. Dimensions are indicated: total height is 180 cm, door height is 140 cm, and door width is 60 cm. A person is shown standing next to the unit for scale.

POHL'AD B

Technical drawing showing the front elevation (POHL'AD B) of a building entrance. The drawing includes a door with three panels and a handle. The door is set into a wall. Above the door is a horizontal line representing the roofline. Below the door, there are two sets of stairs leading down to a level marked -0.70. The ground level is marked +0.00. The drawing is labeled 'POHL'AD B' at the top left.
